Description

Leasehold – Guide Price: £100,000. *Inclusive of goodwill, fixtures, fittings, and equipment*

An excellent opportunity to acquire this highly profitable butcher's business, which benefits from exceptionally low overheads and a strong turnover generated through both retail and wholesale channels.

The business operates from well-presented premises comprising approximately 360 sq ft of retail space, along with a separate external meat preparation area, walk-in chiller, and freezer. A forecourt at the front provides convenient customer parking.

Detailed accounts demonstrating impressive net profits are available to genuinely interested parties following an initial viewing.

This long-established business is being offered for sale due to the impending retirement of the current owners, who have successfully operated here for over 35 years—resulting in considerable goodwill.

We understand the current rent is approximately £9,000 per annum for both the shop and rear yard. The landlord is open to granting a new lease on these premises.

All enquiries must be directed through our agency.

Please do not visit the premises without a prior appointment.
